# How to Add an External Account
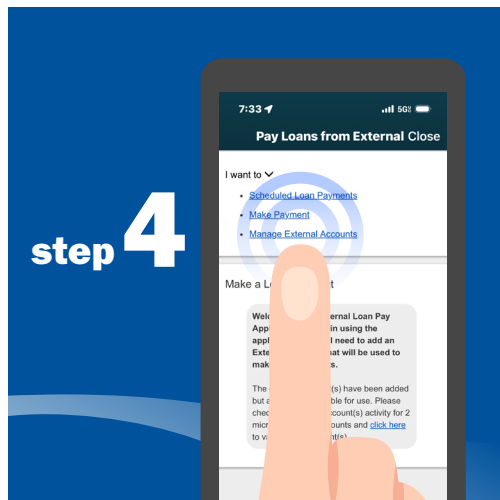

step 1

Download Rogue's Mobile Banking app for Android or iOS.

step 2

Open the app. Log in with the username and password you use for Online Banking.

step 3

Tap "More" in the toolbar at the bottom of your screen.

step 4

Tap "Manage External Accounts" to add an external account.

An external account is any account you have at another bank or credit union.
step 5

Tap "Add an account."

step 6

Select the account type from the dropdown menu, then enter and confirm the Routing Number and Account Number. Tap "Continue" to proceed.

step 7a

If the information entered is a perfect match to what is on record, the account can be verified instantly. Tap "Verify Instantly" to proceed.

step 7b

If the information entered isn't a perfect match, the account will be verified with a short series of micro-deposits. Tap "Verify with Deposits" and follow the steps in your app to proceed.

Note: The account verification process may take a few days to complete.

Success!

You have successfully added your external account and are ready to make a payment.
