

**Summer 2025**

## **The Credit Union Connection from CU at Work**

At Rogue Credit Union, we are proud to provide education and insights that help you achieve your financial goals. In this edition, we'll explore how digital tools can help with your everyday finances.

### **Navigating Today's Economy: Digital Money Management**

The growth of online shopping, tele-health and other services is changing how people live their lives. As the finance industry grows alongside these other industries, financial services are becoming more efficient and accessible, especially for those who want instant access to information.

Online Banking and Mobile Banking apps are becoming more popular as people seek digital tools to manage their money and understanding them can help you achieve your financial goals.

For more information about Online Banking and our Mobile Banking app, visit our [Online Learning Center](#). Watch step-by-step videos, print how-to guides and more.

*Partnering with you  
on your journey to  
financial well-being.*

### **Getting Started with Digital Wallets**

Summer is here, and it's time to enjoy the sun with friends and family! Whether you're buying popcorn at a baseball game or dinner at a restaurant, a digital wallet makes it easy to spend less time looking for your wallet and more time in the moment.

With a digital wallet, your phone is your debit or credit card. You can pay in seconds, keep earning rewards and enjoy added security. Add your card to your phone's digital wallet today to get started.

## Tips for Financial Well-Being: Manage Your Money Anytime, Anywhere

At Rogue Credit Union, we make it easy to be around the world and on top of your budget. Here are our top five ways to use Online Banking and the Mobile Banking app to manage your money anytime, anywhere.

### 1. Get Paid up to Two Days Earlier

When you [set up direct deposit](#) at Rogue Credit Union, you'll automatically get paid up to two days earlier. It's FREE for credit union members!

### 2. Budget with Money Management

Create a budget that supports your financial goals with Money Management in Online and Mobile Banking. Set goals, track your progress and more!

### 3. Set Up Automatic Bill Pay

Skip the stress of monthly bill payments! Set up automatic Bill Pay and have your bills paid on time, every time.

### 4. Make Transfers to Other Members

[Easily pay friends and family](#) while you're out and about—They'll receive the full amount because unlike other money transfer apps, we don't charge a transfer fee.

### 5. Turn Your Card(s) On and Off

Keep your cards secure with [Card Controls](#) in Online Banking and the Mobile Banking app. Turn your card(s) on and off, set up transaction alerts and more.

Be prepared for wherever your adventures take you! Make the most of Online and Mobile Banking.
